

IRO Emigration Pipeline

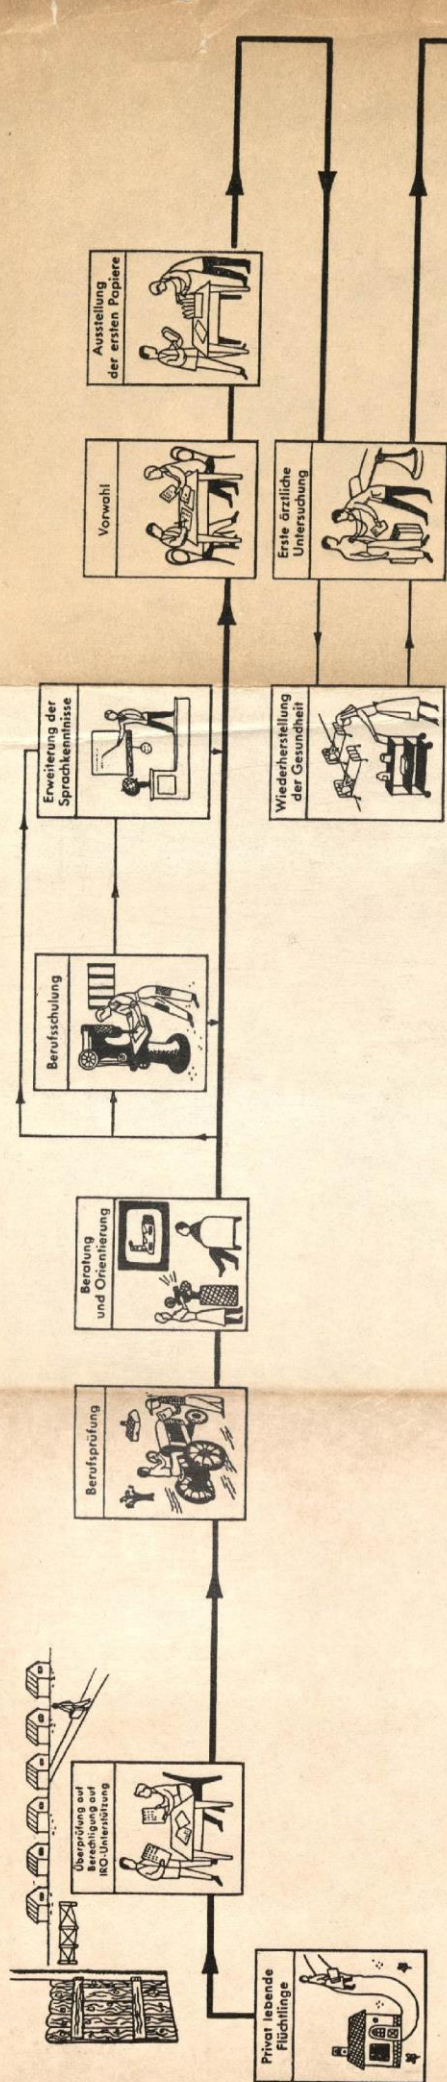

Die *IRO emigration pipeline* zeigt, welche Stationen die DPs bis zu ihrer Ausreise durchlaufen mussten. In jedem Camp gab es unterschiedliche Dinge, die sie erledigen mussten, etwa das Gespräch mit der Auswahlkommission, Sprach- und berufliche Ausbildungskurse oder Zollüberprüfungen.

The IRO emigration pipeline shows which stations the DPs had to go through before they could emigrate. In each camp there were different tasks they had to complete, such as meetings with the selection committee, language and vocational classes and customs checks.
